

# Thanksgiving Activities Prompts

Try these 6 different mini-prompts to develop activities for exploring the holiday with your students

## History of the Holiday

Create a timeline of how Thanksgiving has evolved since 1621. Include different cultural perspectives.

## Showing Gratitude

Create 5 unique ways for me to show gratitude for [my teacher, friends, family, etc.].

## Service Projects

Help me create a service project idea that teaches the importance of giving back and helping those in need.

## Indigenous Perspectives

Provide a fictional first-person narrative on the first Thanksgiving from the perspective of the Wampanoag people.

## New Traditions

Brainstorm new traditions for Thanksgiving based on [student interests, cultural backgrounds, etc.].

## Creative Feasts

Create a thanksgiving meal based on [specific historical times, cultures, dietary needs].
